

Enabling your iPhone®, iPad® or Apple Watch® for Apple Pay®

To add your Chelsea Groton Debit card to your iPhone/iPad:

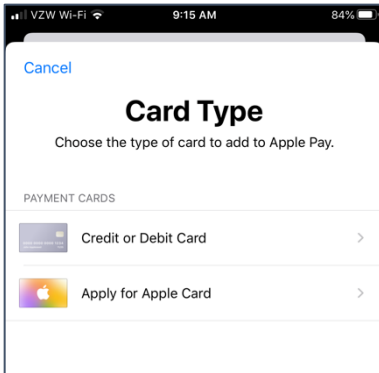

1. Open the “Wallet” app on your device.

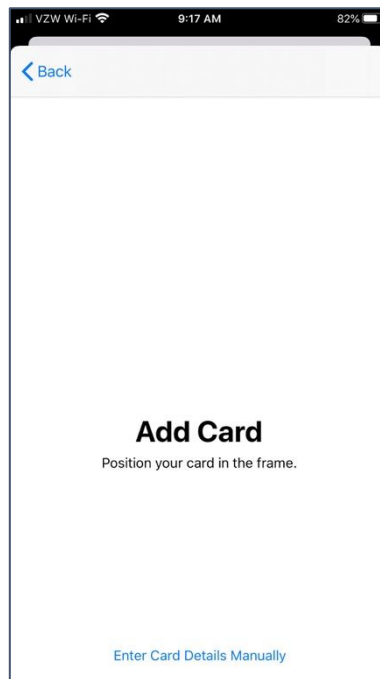

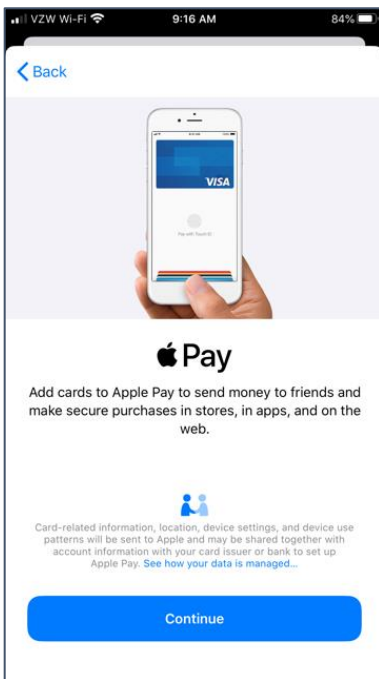

2. Tap the Black “+” symbol

3. Select Credit or Debit Card

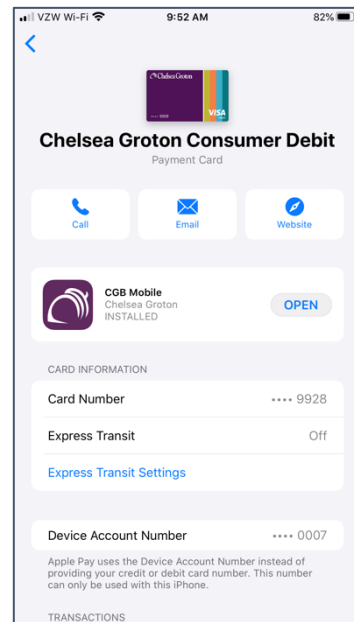

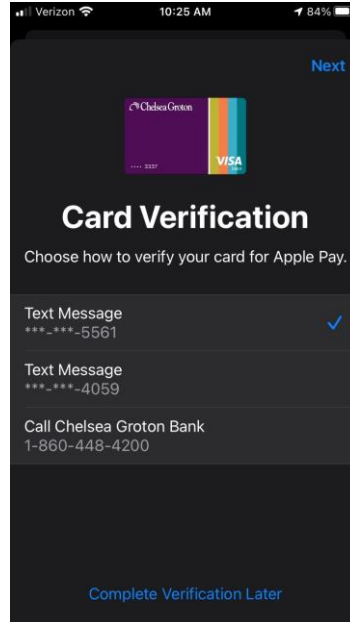

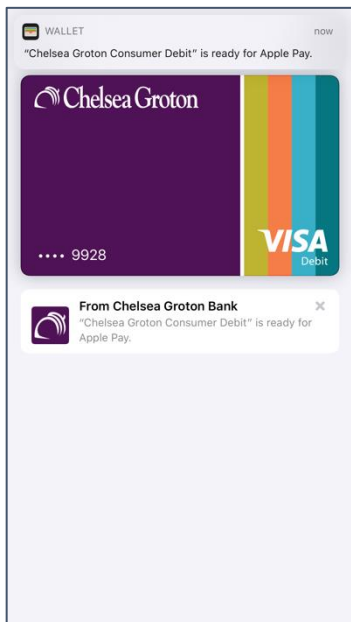

4. Hold your Chelsea Groton debit card in front of your device's camera so the entire front image of the card, including the card number, is visible within the frame or you may click Enter Card Details Manually to type in the necessary information.

5. Verify that the information is entered correctly. Click Next.
6. Enter the Expiration Date and Security Code.
7. Review and Agree to the Terms and Conditions.

8. If approved automatically, your card will be activated. If additional verification is required, you will receive a one-time pass code via text message that will need to be entered into Apple Pay. If you need further assistance, please call Chelsea Groton Bank at 860-448-4200.

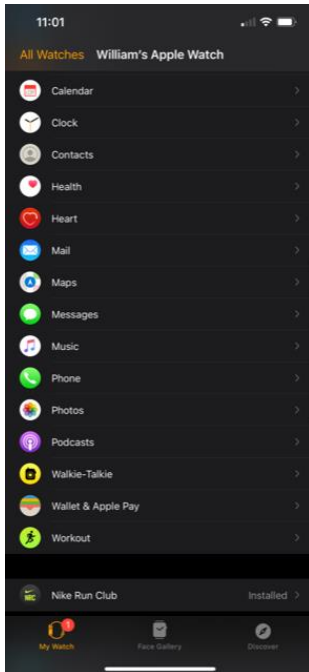

To add your Chelsea Groton Debit card to your Apple Watch:

1. Open the Watch app on your device.

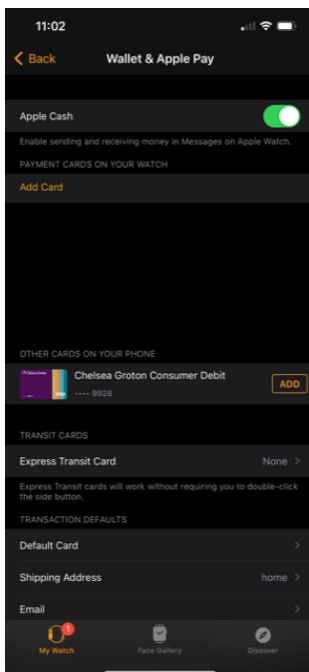

2. Select the Wallet & Apple Pay option from the Apple Watch menu.

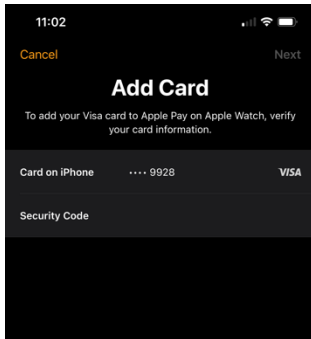

3. Adding your Card

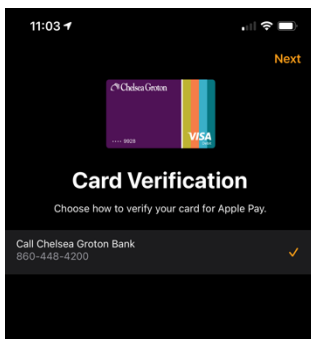

- If you've already added your card to your mobile wallet on your device, Tap the "Add" button beside the Chelsea Groton Consumer Debit.
- If you have not already added your card to your mobile wallet on your device, Tap the "Add Card" button in the Payment Cards on Your Watch section and refer to the instructions to add your card to your iPhone or iPad.

4. To confirm the card information, enter the Security Code from the back of your debit card.

5. If approved automatically, your card will be activated. If additional verification is required, you will receive a one-time pass code via text message that will need to be entered into Apple Pay. If you need further assistance, please call Chelsea Groton Bank at 860-448-4200.
